

Green Lake

COMMUNITY PROFILE

Green Lake is one of Seattle's most beloved parks and areas. Its expanse of water and green space in the center of a dense urban neighborhood draws thousands of people daily from all over the city.

The park serves as a natural preserve for hundreds of species of trees and plants, as well as numerous birds and waterfowl. The newly reconstructed 2.8-mile path around the lake provides a perfect recreational spot for runners, bikers, skaters and walkers. Many others use the athletic fields or visit the park for boating, picnics and swimming.

The off-leash dog area and the Woodland Park Zoo help make the Green Lake area a perfect place for animal lovers. Green Lake has a plethora of restaurants, coffee shops and cafes that fit everyone's needs. The neighborhoods are quaint, cozy and filled with historic charm.

Green Lake is close to I-5 and Highway 99 making it an easy place to get to and from.
