

Snoqualmie Ridge

COMMUNITY PROFILE

Our Community

It's a place made up of neighbors who genuinely care. Snoqualmie Ridge is the answer for homeowners looking for a place to live, work and play. It's the spirit of community.

Charming Planned Community

Homeowners enjoy the stunning natural beauty of more than 1,343 acres of the Upper Snoqualmie Valley. Snoqualmie Ridge is located near Snoqualmie Falls and the historic town of Snoqualmie. Plus over 40 percent of the community has been set aside as open space, including amazing parks and trails, preserved wetlands and a Jack Nicklaus Signature TPC Golf Course.

Our master planned community features a mixed development of signature homes, townhomes, condominiums, and apartments built by some of the Pacific Northwest's preeminent builders. Approximately 2,200 homesites are planned for the first phase of Snoqualmie Ridge.

The Surrounding Area

The timeless charm found in the Snoqualmie Valley creates a hometown lifestyle that most families desire. And since its just 20 minutes east of Bellevue and only 30 minutes from downtown Seattle, this wonderful community is closer than you think.

The Snoqualmie Valley is home to Snoqualmie Falls, one of the most visited and breathtaking natural wonders in Washington State. The 270-foot cascading waterfall is located within minutes of historic downtown Snoqualmie. Combine this with easy access to outdoor activities such as Mt. Si, the Snoqualmie Pass Ski Resort, Snoqualmie National Forest, and Alpine Lakes Wilderness and you have one of Washington's favorite outdoor playgrounds.
