

Tukwila

COMMUNITY PRO - FILE

Tukwila, population 17,000, enjoys a retailing geographical advantage few other communities can match. The city retail hub is located at the northern end of a broad, flat valley served by heavily traveled Interstate Highways, local freeways and busy arterials all coming together, intersecting and moving beyond.

Tukwila is less than 10 minutes from the Seattle-Tacoma International Airport, which handles more than 14,000 visitors per day, and no more than 20 to 30 minutes from such major metropolitan cities as Seattle, Tacoma and Bellevue. Also, the city is served by Washington State's two busiest highways I-5 and 405.

Parks *and* Recreation

TUKWILA

Allentown Pea Patch Garden

12535 50th Pl. S.

This 12 acre site is primarily undeveloped except for a small pea patch area, with spaces available to rent out for a personal garden.

Bicentennial Park

6000 Christensen Rd.

This 2 acre site is located adjacent to the Duwamish/Green River. Facilities at the site include a restroom, playground, shelter, picnic area, walking path and landscaped areas. This site is heavily used by both daytime employees and local residents. In 1976, this park was developed as a tribute to the nation's pioneer roots, and volunteers built the Log Cabin complete with a fireplace made of rock hauled up from the banks of the river. For safety reasons, the fireplace is now blocked off.

Cascade View Park

14211 37th Ave. S.

This newly expanded 2 acre park has a Gazebo and walking path. Facilities include landscaped seating areas, picnic tables, barbecue area and play equipment.

Crest View Park

16200 42nd Ave. S.

This newly expanded 6.1 acre park has a view of downtown Seattle and is located adjacent to an old school site. Facilities include a picnic shelter, paved walkway, a maze, a Little League T-ball field and lots of open space for playing Frisbee.

Crystal Springs Park

15832 51st Ave. S.

This 11 acre park is located on a hillside with views of the Cascade range to the east and the City of Seattle to the north. The clear springs still flow today, but the water is no longer used by valley residents as it was years ago.

Duwamish Park

11646 42nd Ave. S.

This 3 acre park is the former site of the Duwamish Elementary School. The school opened in 1911 and was open for 62 years. The park features a playfield, children's play area, basketball court and maze. Parking is limited.

Fort Dent

6800 Fort Dent Way

This 54 acre, former King County Park is a beautiful addition to the City of Tukwila's park system. Acquired in January of 2003, the City in partnership with Starfire Sports, hopes to embark on many improvements to this park.

Foster Memorial Park

13919 53rd Ave. S.

This 9 acre park is divided into three separate areas. The upper area, formerly known as Upper Foster Park, contains a small baseball field. The lower portion of the park contains a softball field, a tennis court and a basketball court. The third area has a Little League baseball field, picnic shelter, playground equipment, restroom and paved pathway.

Hazelnut Park

14475 59th Ave. S.

This small park site (.7 acre) is located behind the old historic City Hall. Facilities include a small grass area with a sculpture, seating and a small patio. The old city hall building is presently being used as a library.

Ikawa Park (Japanese Garden)

6200 Southcenter Blvd.

This small Japanese garden park is located adjacent to City Hall and was dedicated to Tukwila's Japanese sister city Ikawa. It contains a Koi fish pond.

Riverton Park & Mini Park

4101 S. 131st St.

This 4.8 acre site is the City's newest park, dedicated on July 13, 2000. With the help of a Community Development Block Grant, federally funded through King County, the City added play equipment and a paved path to provide handicapped access to the park and playground. Park improvements also include irrigation, fencing and a large grassy area. This is a passive, open neighborhood park for families and is located at the site of the old Tukwila Community Center. Future plans may include a picnic shelter, drinking fountain, and additional landscaping.

Southgate Park

42nd Ave. S. & S. 135th St.

This 5 acre site is undeveloped and wooded. However, there is a large cleared area situated near the center of the site.
